ORANGE COUNTY EMERGENCY MANAGEMENT  
ORGANIZATION

## Schools Committee

### Mission Statement

*To provide a forum for schools, school districts, colleges and universities, the Operational Area, and the State to periodically meet and coordinate emergency efforts and shared responsibilities.*

### What We Do

- *Assist schools and school districts with updating and standardizing disaster and emergency plans, and provide assistance and training to schools and school districts for disaster and emergency preparedness and mutual aid resources.*
- *Promote active membership and participation from schools in the OCEMO Schools Committee.*
- *Assist all school districts with obtaining OA2 radios and assist schools with emergency communication needs.*
- *Define and formalize the communication link for all schools and school districts with either their cities or the Operational Area.*
